CHRISTIN BONOMONTE

CDFA®

Financial Advisor

Christin began her career in corporate risk management, where she worked for 10 years while raising her children. After experiencing several of life's unexpected challenges, she changed course and pursued her education in financial services. Christin spent her first few years in her new career gaining knowledge and building relationships in the community.

Since joining The Main Street Group in 2016, Christin has focused on the unique financial needs of women and families, taking into consideration the effects of starting a family, going through a divorce and leaving or receiving an inheritance.

Christin is on the board of directors for The Sophie House, a local nonprofit organization that provides support to single women and women with children. She also sits on the committee for Goochland Women in Business and leads a Woman Speak Forum in western Richmond. Her other community involvement includes serving with the VCU Alumni, Junior Achievement financial education program for grades K-12, Goochland Chamber of Commerce, Women in Insurance and Financial Services (WIFS) and National Association of Professional Women (NAPW).

Christin holds health and insurance licenses in Virginia, Texas and North Carolina. She has a Bachelor of Finance degree from Virginia Commonwealth University.

Her family is her pride and joy. Her children, Regina, CJ and Desirae, are involved in many of Christin's activities, as well as pursuing sports- and civic-related activities of their own. They live in Henrico with her fiancé, Gerard, where they enjoy their time together as a family.
