SHELLY ABOULHOSN

Advisor Assistant

Shelly supports Virginia Mylks with all of her clients' needs.

Shelly spent her childhood as a military dependent, living in various states and countries before making her permanent home in Northern Virginia. She has a banking background, with experience in both the branch environment and bank operations.

Shelly has a Bachelor of Science from Strayer University.

Shelly's husband, Sam, has what might be the world's best job: He makes chocolate. Sam and his business partner own Cocoa Vienna, a fabulous chocolate shop in the Washington, D.C. area. Shelly and Sam have one daughter.

Shelly enjoys spending her spare time with extended family and friends — and sampling chocolates in support of Sam's business!
