VIRGINIA MYLKS

CLU®

Financial Advisor

When her husband passed in the mid-1980s, Virginia shifted her life into another gear and began a career in the financial industry. During the next 30 years, she held every office available at Northern Virginia Life Underwriters, including becoming their president. When she joined The Main Street Group, she quickly became a valuable partner to Steve Crawford and a trusted friend to the rest of the firm.

Virginia especially enjoys focusing on income planning for retirement.

Her honors during her tenure at Northern Virginia Life Underwriters included the Outstanding Service Award, 2000; the Paul S. Mills Scholarship for Ethical Business Practices Award, 2001; and the President's Cup from the Northern Virginia Association of Insurance and Financial Advisors, 2003.

Virginia has passed the Series 65 securities exam, is a Chartered Life Underwriter® (CLU®) and has a Bachelor of Science from East Carolina University.
